

Certified Forest Products International Conference and Showcase

September 26-28, 2001
Cobb Galleria - Atlanta, Georgia

Presented by:

Certified Forest Products Council (CFPC) and World Wildlife Fund (WWF)

A global event with 2,000 attendees from around the world...

A stellar array of speakers, including David Orr and Peter Senge...

Unprecedented marketing and networking opportunities...

Educational workshops...

A showcase of certified forest products available in the global marketplace.

Conference information and registration forms are available at the conference website at www.cpfconference2001.org.

On September 26-28, 2001 the worldwide certification marketplace is convening. Join them in creating a future of business-based sustainability, opportunity, and prosperity.
